Dear

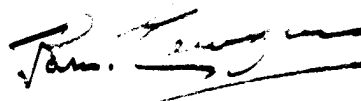

Many thanks for your letter of 29th January with the news that  is to remain here until October 1958. I am very glad to hear this personally as she is a most pleasant colleague, and I am sure everyone here will be pleased.

I find I have never acknowledged the official copy of the Minutes of the 9th Coordination Meeting, which arrived safely duly signed by General Cabell.

The four Collins Receivers, which you so kindly made available to us, arrived safely and they are proving most useful for the special purpose for which we wanted them. I am most grateful to you for your help in this matter.

Yours sincerely,

J. T. Campbell
